

LBS Home Video

(1976-1992)

Nickname: "Extended Pan-Out"

Logo: On a black background, we see a blue outlined LBS logo zooming towards the screen as it draws itself by glitter effects. When the LBS logo settles itself in the center, the colored lights(from the "Pan-Out" logo) scans across the logo and fills the "LBS" with blue. Then, the "LBS" zooms out to the top-center of the screen, and then underneath the "LBS", a white flash of light reveals the text, "LBS HOME VIDEO" in white, and then the logo shines and sparkles all over.

FX: Too much to describe!

Music: A remix of the "Pan-Out" music.

Availability: Their videos are now out-of-print now, so look on eBay, Froogle , or mom-and-pop video stores.

Scare Factor: Same as the "Pan-Out" logo.
